Attn: [REDACTED] 25X1A9a

FROM : [REDACTED] 25X1A9a

SUBJECT: [REDACTED] Questionnaires

1. Reference is made to paragraph 7 of your memorandum of 19 September.
2. Forwarded herewith are sample copies of the following [REDACTED] 25X1X7  
Questionnaires:

Soviet Zone of Germany - 2nd Revision, July 1951.  
Bulgaria - 2nd Revision, August 1951.

25X1X7 3. This constitutes the complete list of countries for which questionnaires have been issued by [REDACTED] with the exception of Hungary. No spare copies of the Hungary questionnaire, prepared in October 1951, are available here. However, copies of all these questionnaires have been sent to G-2 and A-2 in Washington by their [REDACTED] Specifically, two 25X1A9a copies of the questionnaire on Hungary were dispatched to AFOLN-G/DD under cover of the [REDACTED] of 4 January 1952, in case you wish to examine a copy.

4. You will observe that many of the requirements included in these questionnaires are highly specific in nature -- much more so than I realized when I drafted paragraph 9 of my letter of 18 August. Although briefs are not presently being prepared for specific journeys in Satellite countries, spare copies of a number of such briefs prepared during 1951 for journeys in Czechoslovakia and Poland are still available and will be forwarded to you in the near future. So far as I can learn, no copies of these journey briefs have ever been sent to Washington.

5. For your information, the briefing program (i.e., preparation of questionnaires) for Satellite countries is handled by another part of [REDACTED] 25X1X7 Their work is similar in purpose to that carried on for the U.S.S.R., although their techniques differ somewhat, as you can see by comparing the attached

25X1X7 6. I assume that you would like to receive copies of any future Satellite questionnaires as well as any reports by [REDACTED] based on 25X1X7 these questionnaires. However, it is my understanding that efforts toward a fully coordinated [REDACTED] (as set forth in the 25X1X7 proposal to the IAC) will, for the time being, be limited to the U.S.S.R. Until there is a change in this policy, I will not normally expect to receive Satellite requirements from you for coordination into the [REDACTED] Questionnaires, 25X1X7 On the other hand, if you deem it proper, I shall see if [REDACTED] is willing 25X1X7 for us to do what we can now toward processing IAC requirements on the Satellites for inclusion in the [REDACTED] questionnaires. I shall take no 25X1X7 further action in this direction, of course, until I receive instructions from you.
